To whom it may concern,

I am honored to write a letter of recommendation for Pastor Ken Jansen.

I have known Ken for five years as Worship Pastor, Co Worker and personal friend. Three words that come to mind to best describe him are: Anointing, Integrity and FUN!

Ken has a strong music background both in education and experience, but a humble and Christlike way about how he leads a team; and consequently how they lead the church in worship. My observation is that Pastor Jansen is competent in all aspects of worship leading. From song writing to arrangements for solo to large groups; from lighting to sound and stage design; from team building to discipleship.

As my 'adopted little brother' I've come to know Ken's family and witnessed a strong Christian heritage. Ken maintains a high value in his personal walk with Christ. He is un-wavering in his beliefs and very conscientious in his leadership.

Socially, Ken is usually the one planning a great time at every opportunity and including anyone around him. He is a team player and will be a great asset to any ministry that adds him to their staff.

Please feel free to call me if you have any further questions I might be able to answer.

Sincerely,

Laura McKenzie
